Priva Trends, a subsidiary of Pruitt Corp., of Toccoa was awarded the contract to manage the Georgia War Veterans Home in Milledgeville, effective July 1, the state announced Thursday. Pruitt Corp. is the largest operator of nursing homes in the state and currently manages 29 nursing and retirement facilities in Georgia, South Carolina and North Carolina. The Georgia State Employees Union filed suit against the state over efforts to privatize the Milledgeville home. The state Supreme Court ruled April 8 that the lawsuit should have been moved out of Baldwin County.
