Helping Them to Make Hogs of Themselves

Accurately according to safe bag raisers, these things will help pigs "make hogs of themselves" quicker and more profitably:

- Good breeding stock
- Sanitary lots, clean feed and water—and enough of it
- Keep them free from parasites—worms, lice, and mange.
- Adequate minerals and protein in their feed.

Plan now to make hogs an important supplement to your tobacco income this year, and if sound, economical credit will help, see—

TO OUR CUSTOMERS AND FRIENDS

FEBRUARY 15, 1947 was our first anniversary and it has been a pleasure to serve and meet you during this period.

Many items have been hard to secure and we hope that more merchandise will be available during the coming year, especially hardware and farming implements.

We do appreciate your patience and cooperation during this post-war period.

Make your store your shopping center for the needs of the family and friends. We'll help you by advising you what you need. We try to carry a good quality of merchandise and our prices are reasonable.
